# ABOUT

## OUR FOUNDATION

---

Premansh Foundation, a Section-8 not-for-profit organization based at Noida, Uttar Pradesh, is committed to impactful change for individuals and communities in need. With a vision of fostering a compassionate and equitable world, we strive to ensure universal access to essential resources, opportunities, and support.

Our dedicated team, comprising passionate individuals from diverse backgrounds, is united by the shared goal of creating a more sustainable and inclusive world through collective action.

Our comprehensive, community-driven approach connects, communicates and collaborates with varied stakeholders to make a significant impact and create lasting change. Sustainability, collaboration and inclusion are paramount, ensuring that the voices and needs of the people we serve, guide our work.

We are committed to making a difference in the lives of individuals and communities, and we are excited to have varied stakeholders as part of our journey.

By embracing new approaches, evidence-based practices, and ongoing learning, we are on a journey to create a meaningful change.

## OUR VISION & MISSION

### VISION

Foster a compassionate and equitable world through transformative initiatives, where every individual has equal access to opportunities, resources, and support, ensuring a thriving and inclusive community.

### MISSION

Execute groundbreaking projects that enhance and uplift individuals and communities, utilizing innovations and cooperative partnerships.
